### Report on the Financial Statements

We have audited the accompanying financial statements of [ENTITY NAME], HUD Project No. [01-2345678], which comprise the statement of financial position as of [Year End], and the related statements of activities, [functional expenses], [statement of net assets], and cash flows for the year then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the [Organization]'s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the [Organization]'s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of [ENTITY NAME] as of [Year End] and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## **Other Matters**

### ***Supplemental Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplemental information shown on pages \_\_ to \_\_ is presented for purposes of additional analysis as required by the Uniform Financial Reporting Standards issued by the U.S. Department of Housing and Urban Development, Office of the Inspector General, and is not a required part of the financial statements. The accompanying schedule of expenditures of federal awards shown on page \_\_, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. The above described supplemental information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the above described supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

## **Other Reporting Required by Government Auditing Standards**

In accordance with Government Auditing Standards, we have also issued our report dated (Date of report on the financial statements) on our consideration of [ENTITY NAME]'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering [ENTITY NAME]'s internal control over financial reporting and compliance.

**NOTE 1 – ORGANIZATION:**

Nature of Operations: ABC Apartments, LLC (the organization), is wholly owned by the ABC Housing Fund, Inc., and operates housing developments for low and very low income individuals. The project consists of two locations: ABC Village Square Apts, which consists of 48 family units in Kaysville, Utah. The second location is 36 family units located in Layton, Utah.

Pursuant to Section 8 of Title II of the United States Housing Act of 1937, as amended, rents are subsidized by governmental payments through a housing assistance contract between the United States Department of Housing and Urban Development (HUD) and the organization. Terms of this contract are summarized below. Payments received under this contract are a significant portion of the organization`s rental revenue. Housing assistance payments received totaled \$446,708 for the year ended December 31, 2015.

Contract number: XX99A000014

Expiration date: April 30, 2016

Contract number: XX99A000015

Expiration date: April 30, 2016

**NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES:**

**Cash and Cash Equivalents:** The organization considers depository accounts and investments with a maturity at the date of acquisition and expected usage of three months or less to be cash and cash equivalents.

**Accounts Receivable:** Accounts receivable have been adjusted for all known uncollectible accounts. No allowance for doubtful accounts is considered necessary as of December 31, 2015 and 2014. If amounts become uncollectible, they are charged to operations in the period in which that determination is made.

**Impairment of Long-Lived Assets:** The organization reviews longlived assets, including property and equipment and intangible assets, for impairment whenever events or changes in business circumstances indicate that the carrying amount of an asset may not be fully recoverable. An impairment loss would be recognized when the estimated future cash flows from the use of the asset are less than the carrying amount of that asset. To date, there have been no such losses.

**Advertising:** Advertising costs are charged to operations when incurred.

**Property and Equipment:** Property and equipment are being depreciated using straightline and accelerated methods over the following estimated useful lives:

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**DECEMBER 31, 20XX**

Years Land improvements	15
Buildings and improvements	27.5- 40
Furnishings and equipment	10

Property and equipment are stated at cost. Major expenditures for property and equipment are capitalized. Maintenance, repairs, and minor renewals are expensed as incurred. When assets are retired or otherwise disposed of, their costs and related accumulated depreciation are removed from the accounts and resulting gains or losses are included in income.

**Deferred Costs:** Deferred costs consist of financing costs of \$104,858 which have been capitalized and amortized over the related debt term at December 31, 2015. Accumulated amortization of these costs is \$17,185 at December 31, 2015. This amounts are included as a reduction to the Project's mortgage balance.

**Estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Income Taxes:** The organization is a disregarded entity whose sole member is a taxexempt entity under Section 501(c)(3) of the Internal Revenue Code.

**Functional Allocation of Expenses -** Expenditures incurred in connection with Project operations have been summarized on a functional basis in the Statements of Activities.

**Financial Statement Presentation -** The Project is required to report information regarding its financial position and activities according to three classes of net assets: Unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Organization is required to present a statement of cash flows.

**Subsequent Events:** The organization has evaluated subsequent events through January 31, 2016, the date that the financial statements were available to be issued for events requiring recording or disclosure in the organization's financial statements.

**NOTE 2 – RESTRICTIONS ON NET ASSETS**

There are no donor restrictions on the net assets. Accordingly, all net assets are accounted for as unrestricted net assets under generally accepted accounting principles in the United States of America.

**NOTE 4 – RESTRICTED FUNDS**

Monthly escrow deposits for the mortgage escrow are required to be paid to the mortgagee to accumulate reserves for mortgage insurance, property insurance, and real estate taxes.

Monthly deposits to the reserve for replacements are required to be paid to the mortgagee. Disbursements are restricted to replacement of structural elements or equipment and may be made only upon approval by HUD.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON  
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING  
STANDARDS**

To the Board of Directors  
[ENTITY NAME]  
[ENTITY CITY], [STATE]

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, the financial statements of [ENTITY NAME], which comprise the financial position as of [Year End], and the related statement of activities, [functional expenses] and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated (Date of report on the financial statements).

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered [ENTITY NAME]'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of [ENTITY NAME]'s internal control. Accordingly, we do not express an opinion on the effectiveness of [ENTITY NAME]'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of [ENTITY NAME]'s financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether [ENTITY NAME]'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of [ENTITY NAME]'s internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering [ENTITY NAME]'s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR  
FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER  
COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors  
[ENTITY NAME]  
[ENTITY CITY], [STATE]

**Report on Compliance for Each Major Federal Program**

We have audited [ENTITY NAME]'s compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each of [ENTITY NAME]'s major federal programs for the year ended [Year End]. [ENTITY NAME]'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

***Management's Responsibility***

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance for each of [ENTITY NAME]'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about [ENTITY NAME]'s compliance with those requirements and performing such other procedures as we consider necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of [ENTITY NAME]'s compliance.

***Opinion on Each Major Federal Program***

In our opinion, [ENTITY NAME] complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended [Year End].

***[Other Matters (Include only if other non-material findings are present)]***

The results of our auditing procedures disclosed instances of noncompliance, which are required to be reported in accordance with the Uniform Guidance and which are described in the accompanying schedule of findings and questioned costs as items (List finding reference numbers, for example 20XX-X and 20XX-X). Our opinion on each major federal program is not modified with respect to these matters.

[ENTITY NAME]'s response to the noncompliance findings identified in our audit are described in the accompanying schedule of findings and questioned costs. [ENTITY NAME]'s response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.]

***Report on Internal Control Over Compliance***

Management of [ENTITY NAME] is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered [ENTITY NAME]'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of [ENTITY NAME]'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
