Report on the Financial Statements

We have audited the accompanying financial statements of ABC Apartments, LP RHS Project No. 00-000-000000000-00-0 (Partnership), which comprise the balance sheets as of December 30, 20X2 and 20X1, and the related statements of income (loss), changes in partners' capital (deficit), and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to Partnership's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Partnership's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Partnership as of December 31, 20X2 and 20X1, and the results of its operations, changes in partners' capital (deficit), and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information is presented for purposes of additional analysis as required by the *United States Department of Agriculture Rural Development*.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Reports Issued in Accordance with *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued a report dated March XX, 20X3 on our consideration of Partnership's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. Those reports are an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Partnership's internal control over financial reporting and compliance.

Notes to the Financial Statements
For the Years Ended December 31, 20X2 and 20X1

Note 1 – Nature of Activities

ABC Apartments, LP RHS Project No. 00-000-000000000-00-0 (Partnership) was formed on June 1, 1908, under the laws of the State of New York, for the purpose of operating a XX-unit apartment community located in New York, New York. The community is financed by a United States Department of Agriculture Rural Development (RD) Section 515 Loan, and therefore is regulated by RD as to rent charges and operating methods. Under this program, Partnership provides housing to low-income and moderate-income families, subject to regulation by RD as to rental charges and operating methods. Lower rental charges to tenants are recovered by Partnership through rental and interest subsidies provided by RD.

Note 2 – Significant Accounting Policies

A summary of Partnership's significant accounting policies consistently applied in the preparation of the accompanying financial statements is as follows:

Basis of Accounting

Partnership's financial statements were prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenses, and other changes in partners' capital (deficit) during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For the statements of cash flows, all unrestricted investment instruments with original maturities of three months or less are cash and cash equivalents. As of December 31, 20X2 and 20X1, cash and cash equivalents consist of an operating checking account.

Subsequent Events

Partnership evaluated subsequent events through March XX, 20X3, which is the date the financial statements were available to be issued. This evaluation determined that there are no subsequent events that necessitated further disclosure in and/or adjustments to the accompanying financial statements.

ABC Apartments, LP
RHS Project No. 00-000-00000000-00-0

Note 2 – Significant Accounting Policies (continued)

Tenant Receivable and Bad Debt

Tenant rent charges for the current month are due on the first of the month. Tenants who are evicted or move out are charged with damages or cleaning fees, if applicable. Tenant receivable consists of amounts due for rental income, security deposits, or the charges for damages and cleaning fees. Partnership does not accrue interest on the tenant receivable balances.

Partnership has not established an allowance for doubtful accounts and does not use the reserve method for recognizing bad debts. Bad debts are treated as direct write-offs in the period management determines that collection is not probable.

Tenant Security Deposits

Partnership maintains accounts for security deposits received from tenants. The cash is restricted for reimbursement of the security deposits unless there is evidence of default by a tenant under the lease agreement.

Tax and Insurance Reserve

Tax and insurance reserve is restricted cash for payments of real estate taxes and insurance. Partnership is required to establish and maintain a reserve account. This account is used to receive monthly deposits sufficient to pay annual real estate taxes and insurance premiums that are paid from the account.

Replacement Reserves

In accordance with the loan agreement with RD, a reserve for replacement is to be funded \$AMT annually until it reaches \$AMT.

Property and Equipment

Property and equipment are recorded at cost. Depreciation is computed using the straight-line method of depreciation. When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss is recognized as income or loss for the period. The cost of maintenance and repairs is charged to expense as incurred and significant renewal and betterments are capitalized. Deductions are made for retirements resulting from renewals or betterments.

Accrued Real Estate Taxes

Partnership is subject to real estate and personal property taxes and pays one year in arrears. Partnership was assessed in 20X1 and made bi-annual payments in May 20X2 and November 20X2. Failure to make these payments could have resulted in additional penalties, interest, and liens. At December 31, 20X2 and 20X1, accrued real estate taxes represent an estimated amount to be paid in the subsequent year.

Recognition of Rent Revenue

Partnership recognized net rent revenue in the period in which the rent is earned. In accordance with the RD financial reporting requirements, potential rental income represents total possible rent revenue as if all units are 100% occupied during the year. Total rental income represents potential rental income less vacancies. Rents collected in advance are deferred until the rental income is earned.

ABC Apartments, LP
RHS Project No. 00-000-000000000-00-0

Note 2 – Significant Accounting Policies (continued)

Rental Assistance Payments

Partnership entered into a rental assistance contract for low-income families as provided by RD.

Advertising

Partnership expenses advertising costs as they incur. For the years ended December 31, 20X2 and 20X1, advertising and marketing expenses were \$AMT and \$AMT, respectively.

Income Taxes

No provision for federal or state income taxes was made in the financial statements as the federal and state income tax effect on Partnership's activities accrued to its partners.

Generally accepted accounting principles in the United States require Partnership to examine its tax positions for uncertain positions. Partnership is not aware of any tax positions that are more likely than not to change in the next twelve months, or that would not sustain an examination by applicable taxing authorities. Partnership's policy is to recognize penalties and interest as incurred in its statements of income (loss) as a component of operating expenses, and totaled \$0 for December 31, 20X2 and 20X1. Partnership's federal and state income tax returns for fiscal years ended 20XX through 20XX are subject to examination by the applicable tax authorities, generally for three years after the later of the original or extended due date.

Impairment of Long-Lived Assets

In accordance with the provisions of accounting for the impairment or disposal of long-lived assets, Partnership reviews long-lived assets for impairments when circumstances indicate the carrying amount of an asset may not be recoverable based on the undiscounted future cash flows of the asset. If the carrying amount of an asset may not be recoverable, a write-down to fair value is recorded. Fair values are determined based on the discounted cash flows, quoted market values, or external appraisals, as applicable. Long-lived assets are reviewed for impairment at the individual asset or the asset group level for which the lowest level of independent cash flows can be identified.

Fair Value Measurements

Partnership adopted fair value measurements of financial assets and financial liabilities of nonfinancial items that are recognized or disclosed at fair value in the financial statements on a recurring basis. This establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that Partnership has the ability to access at the measurement date.
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the asset or liability.

ABC Apartments, LP RHS
Project No. 00-000-000000000-00-0

Note 2 – Significant Accounting Policies (continued)

The level in the fair value hierarchy within which a fair measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety. Partnership had no investments at December 31, 20X2 and 20X1 except for certificate of deposits.

Partnership operates in a heavily regulated environment that typically includes restrictions such as land use, rent regulations, government subsidies in the form of rental assistance through either rent subsidy or tenant vouchers, subsidized mortgage interest rates, and restrictions on selling or transferring.

A summary of the methods and significant assumptions used to estimate the fair values of financial instruments is as follows:

- Short-term financial instruments – The fair value of short-term financial instruments, including cash and cash equivalents, restricted deposits, accounts receivable, accounts payable and accrued liabilities approximate their carrying value due to the short-term nature of these instruments.
- Long-term financial instruments – The fair value of long-term financial instruments, including mortgage payable which approximates the carrying value in the accompanying financial statements based on current borrowing rates.

Reclassifications

Certain accounts in the 20X1 financial statements were reclassified for comparative purposes to conform with the presentation in the 20X2 financial statements. Total assets, liabilities, partners' capital (deficits), and net income are unchanged due to these reclassifications.

Note 3 – Mortgage Payable

The mortgage payable is payable to RD in monthly installments of \$AMT at an interest rate of RATE% per annum and a term of # years, maturing on DATE. As part of the Loan Agreement, Partnership entered into an Interest Credit and Rental Assistance Agreement that effectively lowers the interest rate to approximately 1% over the term of the loan. The mortgage liability of Partnership is limited to the underlying value of the real estate collateral pledged. No partner is personally liable on the mortgage note payable. The original amount of the note payable was \$AMT.

Estimated annual maturities of the mortgage notes payable are as follows:

20X3	\$ AMT
20X4	AMT
20X5	AMT
20X6	AMT
20X7	AMT
Thereafter	<u>AMT</u>

\$ AMT

ABC Apartments, LP RHS
Project No. 00-000-000000000-00-0

Note 4 – Distribution To Partners

Under the mortgage payable agreement, annual distributions to partners are limited by RD regulations to \$AMT. During the years ended December 31, 20X2 and 20X1, \$AMT and \$AMT, respectively were distributed to the partners. Distributions are paid one year in arrears of being earned.

Note 5 – Related Party Transaction

Management Fee

Partnership entered into a management agreement with ABC Property Management (management agent), an identity of interest with the general partner, to manage the rental operations. The management agreement allows for a management fee based on per occupied unit per month. Property management fees were \$AMT and \$AMT during the years ended December 31, 20X2 and 20X1, respectively.

Management Services

Management agent provides administrative services to Partnership and was reimbursed \$AMT and \$AMT for the cost of site employee payroll, payroll taxes, and benefits during the years ended December 31, 20X2 and 20X1, respectively.

Legal Services

ABC Legal, an identity of interest with the general partner, performs legal services for Partnership. During the years ended December 31, 20X2 and 20X1, \$AMT and \$AMT, respectively, was incurred and expensed.

Advances from General Partner

A general partner made non-interest bearing operating deficit loans of \$AMT which are payable from the proceeds of the sale or refinancing of the rental property. At December 31, 20X2 and 20X1, Partnership owes the general partner \$AMT and \$AMT, respectively.

Note 6 – Current Vulnerability Due to Certain Concentrations

Concentration in Affordable Housing Market

Partnership's sole asset is ABC Apartments. Partnership's operations are concentrated in the affordable housing real estate market. In addition, Partnership operates in a heavily regulated environment. The operations of Partnership are subject to the administrative directives, rules, and regulations of federal, state, and local regulatory agencies, including, but not limited to, RD and the State Housing Agency. Such administrative directives, rules, and regulations are subject to change by an act of Congress or an administrative change mandated by RD or the State Housing Agency. Such changes may occur with little adequate funding to pay for the related cost, including the additional administrative burden, to comply with a change.

Concentration in Government Funding

Partnership received X% and X% of gross revenue from RD in the form of rental assistance and interest reduction subsidy payments during the years ended December 31, 20X2 and 20X1, respectively.

Concentration in Credit Risk

Partnership continually monitors its positions with, and the credit quality of, the financial institutions with which it invests. Financial instruments that potentially subject the company to concentration of credit risk consist principally of cash. Management believes Partnership placed all cash with high-credit quality financial institutions and that there is no significant concentration of credit risk with respect to cash.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0575-0189. The time required to complete this information collection is estimated to average 4 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Partners of
ABC Limited Partnership
DBA ABC Apartments
City, State

USDA Rural Development
Servicing Office
City, State

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of ABC Limited Partnership, which comprise the balance sheet as of December 31, 20X2, and the related statements of operations, changes in partners' equity and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated DATE, YEAR.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered ABC Limited Partnership's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of ABC Limited Partnership's internal control. Accordingly, we do not express an opinion on the effectiveness of ABC Limited Partnership's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

ABC Limited
Partnership
Independent Auditors'
Report on Internal
Control Page Two

Compliance and Other Matters

As part of obtaining reasonable assurance about whether ABC Limited Partnership's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of ABC Limited Partnership's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering ABC Limited Partnership's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

DATE, YEAR

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR RD PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE CONSOLIDATED
AUDIT GUIDE FOR AUDITS OF RD PROGRAMS**

To the Partners of
ABC Limited Partnership
DBA ABC Apartments
City, State

USDA Rural Development
Servicing Office
City, State

Report on Compliance for Each Major RD Program

We have audited ABC Limited Partnership's compliance with the compliance requirements described in the *Audit Guide for Audits of RD Programs* (the Guide) that could have a direct and material effect on ABC Limited Partnership's major U.S. Department of Rural Development (RD) program for the year ended December 31, 20X2. The Partnership's major RD program is as follows:

List the major program.

Name of Major RD Program	Direct and Material Compliance Requirements
Section 515 Rural Rental Housing Loan	Mortgage status, replacement reserve, return on investment or return to owner, equity skimming, cash receipts, cash disbursements, tenant security deposits, management functions, unauthorized change of ownership or acquisition of liabilities and unauthorized loans of project funds.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its RD program.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of ABC Limited Partnership's major RD programs based on our audit of the compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the Guide. Those standards and the Guide require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the compliance requirements referred to above that could have a direct and material effect on a major RD program occurred. An audit includes examining, on a test basis, evidence about ABC Limited Partnership's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major RD programs. However, our audit does not provide a legal determination of ABC Limited Partnership's compliance.

Opinion on Each Major RD Program

In our opinion, ABC Limited Partnership complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major RD program for the year ended December 31, 20X2.

Opinion on Each Major RD Program

In our opinion, ABC Limited Partnership complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major RD program for the year ended December 31, 20X2.

Other Matters (needs to be included if immaterial instances of non-compliance were noted)

We noted certain matters that we are required to report to management of ABC Limited Partnership in a separate written communication. These matters are described in our management letter dated DATE, YEAR.

Report on Internal Control Over Compliance

Management of ABC Limited Partnership is responsible for establishing and maintaining effective internal control over compliance with the compliance requirements referred to above. In planning and performing our audit of compliance, we considered ABC Limited Partnership's internal control over compliance with the requirements that could have a direct and material effect on its major RD program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for its major RD program and to test and report on internal control over compliance in accordance with the Guide, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of ABC Limited Partnership's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a compliance requirement of an RD program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a compliance requirement of a RD program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a compliance requirement of a RD program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Guide. Accordingly, this report is not suitable for any other purpose.

**Schedule of Findings and Questioned Costs
For the Year Ended December 31, 20X2**

For the Year Ended December 31, 20X2:

There were no findings or questioned costs for the year ended December 31, 20X2.

For the Year Ended December 31, 20X1:

There were no findings or questioned costs for the year ended December 31, 20X1.

Year End Financial Reporting Requirements
State and Local Government, Indian Tribes and Non-Profit Organizations
Single Audit

The Single Audit is divided into two areas: Compliance and Financial.

The compliance component of a Single Audit covers the study and understanding (planning stage) as well as the testing and evaluation (exam stage) of the recipient with respect to federal assistance usage, operations and compliance with laws and regulations

The financial component is exactly like a financial audit of a non-federal entity which includes the audit of the financial statements and accompanying notes.

DEF Apartments NFP
Project No. 00-000-000000000-00-0

SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
Year ended December 31, 20X7

<u>Federal Grantor/ (Pass-through Grantor)/ Program Title</u>	<u>Federal CFDA Number</u>	<u>Agency or Pass-through Number</u>	<u>Federal Expenditures</u>
U.S. Departments of Agriculture Rural Rental Housing Loans	10.415		\$2,247,033
U.S. Departments of Agriculture Rural Rental Housing Loans	10.427		242,249
U.S. Departments of Agriculture Interest Assistance Programs	10.437		<u>87,046</u>
Total			<u>\$ 2,576,328</u>

1. Basis of Presentation

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of DEF Apartments under programs of the federal government for the year ended December 31, 20X7.

The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Project, it is not intended to and does not present the Project's financial position, changes in net assets, or cash flows.

2. Summary of Significant Accounting Policies

(a) Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

(b) DEF Apartments NFP has elected not to use the 10 percent de minimus indirect cost rate as allowed under the Uniform Guidance.

(c) The outstanding balance of loan and loan guarantee programs at December 31, 20x7 with continuing compliance requirements which are reported as federal expenditures on the accompanying schedule of expenditures of Federal Awards was \$2,229,088.

See Independent Auditor's Report.
